The Problem of Bewitched Hands and Feet Each organ that is in the body physically has a spiritual significance and symbol. For example, the head in the spirit is the symbol of your destiny. The legs are the symbol of movement and it means that if the legs are tied spiritually, it does not mean that the person will not move around but that person will not make any progress. If the hands of a person are tied spiritually, the person could be beating drums and fighting all about or cook, nothing good will come out of it. The hands in the spirit represent a person's labour; or handiwork. Rare knowledge awaits you as you read this book.
