Catherine of Braganza was queen consort of England, of Scotland and of Ireland from 1662 to 1685, as the wife of King Charles II. She was the daughter of King John IV, who became the first king from the House of Braganza in 1640 after overthrowing the 60-year rule of the Spanish Habsburgs over Portugal and restoring the Portuguese throne which had first been created in 1143. Catherine served as regent of Portugal during the absence of her brother in 1701 and during 1704–1705, after her ...

Catherine of Braganza - Wikipedia
Catherine Of Braganza, (born Nov. 25, 1638, Vila Viçosa, Port.—died Dec. 31, 1705, Lisbon), Portuguese Roman Catholic wife of King Charles II of England (ruled 1660–85). A pawn in diplomatic dealings and anti-papal intrigues, she was married to Charles as part of an important alliance between England and Portugal.

Catherine Of Braganza | queen of Great Britain | Britannica
Catherine of Braganza, a Portuguese princess, married Charles II in 1662 and became the merry monarch's Restoration queen. Yet life for her was not so merry - she put up with the king's many mistresses and continuous plots to remove her from the throne. She lived through times of war, plague and fire.

Catherine of Braganza: Charles II's Restoration Queen...
King Charles II of England Catherine of Braganza, Queen of England Although Catherine was short and had protruding teeth, she also had quite beautiful long black hair and a pleasant voice and demeanour. Charles described her in a letter to Clarendon as not exactly a beauty but he liked her eyes and thought her, on the whole, acceptable as a wife.

The History Press | Charles II and Catherine of Braganza ...

Catherine of Braganza: Charles II's Restoration Queen...
Catherine "of Portugal" Charles IIs wife has gone down in history as Catherine of Braganza! Even the Wikipedia article to which "Catherine of Portugal" links is titled Catherine of Braganza. Following Wikipedia's common name policy, this pg ought to have her called Catherine of Braganza as well.

Catherine of Braganza, a Portuguese princess, married Charles II in 1662 and became the merry monarch's Restoration queen. Yet life for her was not so merry - she put up with the king's many mistresses and continuous plots to remove her from the throne. She lived through times of war, plague and fire. Catherine's marriage saw many trials and tribulations including her inability to produce an heir. Yet Charles supported his queen throughout the Restoration, remaining devoted to her no matter what. Outliving her husband, she ended up back in her home country and spent her final days as queen-regent of Portugal.

Catherine of Braganza, a Portuguese princess, married Charles II in 1662 and became the merry monarch's Restoration queen. Yet life for her was not so merry - she put up with the king's many mistresses and continuous plots to remove her from the throne. She lived through times of war, plague and fire. Catherine's marriage saw many trials and tribulations including her inability to produce an heir. Yet Charles supported his queen throughout the Restoration, remaining devoted to her no matter what. Outliving her husband, she ended up back in her home country and spent her final days as queen-regent of Portugal.

Charles II is restored to the English throne, and his court is lively and even scandalous. The country is eager for succession to be clear and certain: The next king will be the son of Charles II and his queen, Catherine of Braganza. Yet Catherine, daughter of the king of Portugal and a Catholic, has never been popular with the English people. She is also having great difficulty conceiving an heir, even as many of Charles ' s well-known mistresses are bearing his children with ease. Catherine is aware that courtiers close to Charles are asking him to divorce her and take another wife—yet she is determined to hold her title in the face of all odds. The ninth novel in the beloved Queens of England series, The Merry Monarch ' s Wife brings Catherine of Braganza to life and plunges readers into the tumultuous world of Restoration England.

According to the great diarist, John Evelyn, Charles II was "addicted to women", and throughout his long reign a great many succumbed to his charms. Clever, urbane and handsome, Charles presided over a hedonistic court, in which licence and licentiousness prevailed. Mistresses is the story of the women who shared Charles ' s bed, each of whom wielded influence on both the politics and cultural life of the country. From the young king-in-exile ' s first mistress and mother to his first child, Lucy Walter, to the promiscuous and ill-tempered courtier, Barbara Villiers. From Frances Teresa Stuart, "the prettiest girl in the world" to history ' s most famous orange-seller, "pretty, witty" Nell Gwynn and to her fellow-actress, Moll Davis, who bore the last of the king ' s fifteen illegitimate children. From Louise de Kéroualle, the French aristocrat – and spy for Louis XIV – to the sexually ambiguous Hortense Mancini. Here, too, is the forlorn and humiliated Queen Catherine, the Portuguese princess who was Charles ' s childless queen. Drawing on a wide variety of original sources, including material in private archives, Linda Porter paints a vivid picture of these women and of Restoration England, an era that was both glamorous and sordid.

Charles II is restored to the English throne, and his court is lively and even scandalous. The country is eager for succession to be clear and certain: The next king will be the son of Charles II and his queen, Catherine of Braganza. Yet Catherine, daughter of the king of Portugal and a Catholic, has never been popular with the English people. Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 48. Chapters: Catherine of Braganza, Charles II: The Power and The Passion, Cultural depictions of Charles II of England, Declaration of Breda, Descendants of Charles II of England, Dutch Gift, Escape of Charles II, Exclusion Crisis, HMY Royal Escape, Popish Plot, Restoration (1660), Restoration (Colonies), Restoration (England), Restoration (Ireland), Restoration (Scotland), Royal Declaration of Indulgence, Royal Oak, Rye House Plot, The Whores' Petition, Treaty of Breda (1650). Excerpt: Charles II (29 May 1630 - 6 February 1685) was king of England, Scotland, and Ireland. Charles II's father, King Charles I, was executed at Whitehall on 30 January 1649, at the climax of the English Civil War. Although the Parliament of Scotland proclaimed Charles II King of Great Britain and Ireland in Edinburgh on 6 February 1649, the English Parliament instead passed a statute that made any such proclamation unlawful. England entered the period known as the English Interregnum or the English Commonwealth, and the country was a de facto republic, led by Oliver Cromwell. Cromwell defeated Charles at the Battle of Worcester on 3 September 1651, and Charles fled to mainland Europe. Cromwell became virtual dictator of England, Scotland and Ireland. Charles spent the next nine years in exile in France, the United Provinces and the Spanish Netherlands. A political crisis that followed the death of Cromwell in 1658 resulted in the restoration of the monarchy, and Charles was invited to return to Britain. On 29 May 1660, his 30th birthday, he was received in London to public acclaim. After 1660, all legal documents were dated as if Charles had succeeded his father as king in 1649. Charles's English parliament enacted laws known as the Clarendon Code, designed to shore up the position of the re-established Church of England. Charles acquiesced to the...
