Drive your food truck business to success While food trucks may not be the new kid on the block anymore, it's a segment that continues to swell—and there's still plenty of room for growth. If you have your sights set on taking your culinary prowess on the road, *Running a Food Truck For Dummies, 2nd Edition* helps you find your food niche, follow important rules of conducting business, outfit your moving kitchen, meet safety and sanitation requirements, and so much more. Gone are the days of food trucks offering unappealing prepackaged meals, snacks, and coffee. In today's flourishing food service industry, they're more like restaurants on wheels, offering eager curbside patrons everything from gourmet tacos and Korean BBQ to gluten-free pastries and healthy vegan fare. Whether you're the owner or operator of an existing food truck business looking to up the ante or a chef, foodie, or gourmand interested in starting your own mobile restaurant endeavor, *Running a Food Truck For Dummies* has you covered. Create a food truck business plan to set yourself up for success Stay profitable by avoiding the most common operating mistakes Harness public relations and social media to build your following Grow from one truck to multiple trucks, restaurants, or a food truck franchise Packed with the latest information on legislation and ordinances, securing loans, and marketing to the all-important Millennials, this one-stop guide helps you cook up a well-done food truck venture in no time!

New research-case histories and operating data-on every conceivable facet of today's big problem are detailed in the latest Purdue Book-with unparalleled appropriate, usable information and data for your current industrial waste problems from the May 1989 Conference.

The wildly popular YouTube star behind Clean My Space presents the breakthrough solution to cleaning better with less effort. Melissa Maker is beloved by fans all over the world for her completely re-engineered approach to cleaning. As the dynamic new authority on home and living, Melissa knows that to invest any of our precious time in cleaning, we need to see big, long-lasting results. So, she developed her method to help us get the most out of our effort and keep our homes fresh and welcoming every day. In her long-awaited debut book, she shares her revolutionary 3-step solution: 

- Identify the most important areas (MIAs) in your home that need attention
- Select the proper products, tools, and techniques (PTT) for the job
- Implement these new cleaning routines so that they stick

Clean My Space takes the chore out of cleaning with Melissa's incredible tips and cleaning hacks (the power of pretreating!) her lightning fast 5-10 minute "express clean" routines for every room when time is tightest, and her techniques for cleaning even the most daunting places and spaces. And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With Melissa's simple groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time.
