"I filtrati dolci" di Giuseppe De-Astis. Pubblicato da Good Press. Good Press pubblica un grande numero di titoli, di ogni tipo e genere letterario. Dai classici della letteratura, alla saggistica, fino a libri più di nicchia o capolavori dimenticati (o ancora da scoprire) della letteratura mondiale. Vi proponiamo libri per tutti e per tutti i gusti. Ogni edizione di Good Press è adattata e formattata per migliorarne la fruibilità, facilitando la leggibilità su ogni tipo di dispositivo. Il nostro obiettivo è produrre eBook che siano facili da usare e accessibili a tutti in un formato digitale di alta qualità.

Translated texts are often either uncritically consumed by readers, teacher, and scholars or seen to represent an ineluctable loss, a diminishing of original texts. Translation, however, is a cultural practice, influenced also by social and political imperatives, which can open more doors than it closes. The essays in this book show how the act of translation, when vigilantly and critically attended to, becomes a means for active interrogation.

A Dazzling Russian travelogue from the bestselling author of *Great Plains* In his astonishing new work, Ian Frazier, one of our greatest and most entertaining storytellers, trains his perceptive, generous eye on Siberia, the storied expanse of Asiatic Russia whose grim renown is but one explanation among hundreds for the region's fascinating, enduring appeal. In *Travels in Siberia*, Frazier reveals Siberia's role in history—its science, economics, and politics—with great passion and enthusiasm, ensuring that we'll never think about it in the same way again. With great empathy and epic sweep, Frazier tells the stories of Siberia's most famous exiles, from the well-known—Dostoyevsky, Lenin (twice), Stalin (numerous times)—to the lesser known (like Natalie Lopukhin, banished by the empress for copying her dresses) to those who experienced unimaginable suffering in Siberian camps under the Soviet regime, forever immortalized by Aleksandr Solzhenitsyn in *The Gulag Archipelago*. *Travels in Siberia* is also a unique chronicle of Russia since the end of the Soviet Union, a personal account of adventures among Russian friends and acquaintances, and, above all, a unique, captivating, totally Frazierian take on what he calls the "amazingness" of Russia—a country that, for all its tragic history, somehow still manages to be funny. *Travels in Siberia* will undoubtedly take its place as one of the twenty-first century's indispensable contributions to the travel-writing genre.

First published in 1991. It was the lyric poetry of Petrarch that popularized the sonnet in European literature, that set the standard for love poetry for

centuries to follow. Compared to the large volume of prose, poetry and notes in Latin, the corpus of Petrarch's Italian writings is small: the 366 poems that make up the Canzoniere, the 2000 or so verses of the Trionfi, and an undetermined number of poems, drafts and fragments that comprise what we call the Rime disperse. This collection includes indexes of first lines in both Italian and English.

A free open access ebook is available upon publication. Learn more at www.luminosoa.org. Tens of thousands of Eritreans make perilous voyages across Africa and the Mediterranean Sea every year. Why do they risk their lives to reach European countries where so many more hardships await them? By visiting family homes in Eritrea and living with refugees in camps and urban peripheries across Ethiopia, Sudan, and Italy, Milena Belloni untangles the reasons behind one of the most under-researched refugee populations today. Balancing encounters with refugees and their families, smugglers, and visa officers, *The Big Gamble* contributes to ongoing debates about blurred boundaries between forced and voluntary migration, the complications of transnational marriages, the social matrix of smuggling, and the role of family expectations, emotions, and values in migrants' choices of destinations.
