Here's the ideal companion to *Understanding Anatomy & Physiology: A Visual, Interactive Approach, 3rd Edition* or as a stand-alone guide to reinforce A&P concepts.

**\*\*This is the chapter slice "The Circulatory System - Blood Vessels" from the full lesson plan "Circulatory, Digestive & Reproductive Systems"** How can you tell the difference between an artery and a vein? Our resource tells you how! Learn the major organs of four body systems and how they work to keep us alive and healthy. We begin with blood, blood vessels and the heart. Next, we follow the path food takes from the mouth to the large intestine, and find out how food is turned into fuel. Then it's on to how the liver, lungs and skin all help rid our body of toxins. We look inside the kidneys and intestines, and finish with how a tiny sperm and egg cell can grow into a baby. Reading passages, student activities, test prep, and color mini posters all included. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy and STEM initiatives.

The massage licensing exam is expensive, you need to pass the first time. "The Essential Review Guide for Passing the MBLEx Licensing Exam: 2016 Edition" (yes, it's a long title) has all the information you need to pass the MBLEx with ease. Test questions and answers, medical terms & pathology guides, crossword puzzle review (to break up the monotony of studying) and more. The first section is comprised of test questions and answers. Each topic is broken down into separate chapters, ending with an easy to follow answer key. All questions are multiple choice with four answers to choose from. The second section is the pathology & medical terminology review. Pathologies are separated into sections of the body. Each condition is explained with a definition & signs/symptoms. The medical terminology guide includes prefixes, suffixes, root words, definitions & examples. The third section is the massage therapy quick review sheet, which provides helpful information and facts. Also included is the crossword puzzle review. A unique and fun way to study. Includes subjects such as: The Skeletal System, The Muscles, Joints, Business Basics, The Digestive System, History of Massage, The Respiratory System, Massage Fundamentals and More! The flashcard section completes the book.
