What Is Psychological First Aid? PFA was developed by the National Child Traumatic Stress Network and the National Center for Post-Traumatic Stress Disorder to manualize practices from disaster mental health and provide the mental health field with a framework within which to respond following acute trauma.

Psychological First Aid in Time of COVID-19 | Psychiatric News
This was the first First Aid product I've purchased since buying First Aid for USMLE Step 1, and I think I made a mistake by not buying the First Aids for the last four clerkships I've done. This book was ~200 pages of high-yield information, and it covered almost everything on the shelf exam in adequate detail.
