A prescription is needed to get this test, which can be performed in authorized locations including doctor's offices and emergency rooms. To perform the test, a sample obtained using a nasal swab is inserted into the BinaxNOW test card. The test is a lateral flow immunoassay, which works like a pregnancy test.

Includes: Multiple choice fact, scenario and case-based questions Correct answers and explanations to help you quickly master specialty content All questions have keywords linked to additional online references The mission of StatPearls Publishing is to help you evaluate and improve your knowledge base. We do this by providing high quality, peer-reviewed, educationally sound questions written by leading educators. StatPearls Publishing

It's a fun, visual review for the NCLEX! Illustrated Study Guide for the NCLEX-RN® Exam, 8th Edition covers all the nursing concepts and content found on the latest NCLEX-RN examination. A concise outline format makes studying easier, and 2,300 NCLEX exam-style review questions (including alternate item formats) are included to test your knowledge at the end of each chapter and on the Evolve companion website. Written by NCLEX expert JoAnn Zerwekh, this study guide uses colorful illustrations and mnemonic cartoons to help you remember key concepts for the NCLEX-RN exam. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Electronic alternate item format questions on Evolve prepare you for the interactive question types on the computerized NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to create a customized review experience based on your personal study needs. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. NEW! 2,300 review questions are now included on the Evolve companion website. Two NEW alternate item question types are added: graphic options and questions incorporating audio. UPDATED content reflects the latest NCLEX-RN test plan and incorporated important clinical updates. NEW! Page references to an Elsevier textbook are provided with each question, for further study and self-remediation. NEW! Disorder names are highlighted in color in the index for quick reference. EXPANDED coverage of management of care reflects the increased percentage of this content on the NCLEX-RN test plan.

Testing Strategies for the NCLEX-PN Examination chapter addresses the challenges of the Next Generation NCLEX® and provides targeted strategies for success. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. More than 2,000 review questions on the companion Evolve website are available in both study and quiz modes and separated by content area, allowing customized review based on personal study needs. Examples of Next Generation NCLEX-style questions on the companion Evolve website familiarize you with these new types of questions. Answers and rationales are provided for all review questions. Test Alert! boxes highlight key concepts frequently found on the NCLEX examination. Alternate item format questions on the companion Evolve website prepare you for these question types on the NCLEX examination. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Nursing Priority boxes make it easier to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders and identify content on self-care and home care. A separate chapter on pharmacology and medication administration helps you focus on this area of emphasis on the NCLEX examination.
