To stay competitive, firms need to build great products but they also need to lend these products to the uses and misuses of their customers and learn extensively from them. This is the first book to

explore the idea that allowing customers to adapt features in online products or services to suit their needs is the key to viral growth.

1870. 17-year-old apprentice bookbinder Étienne Bonin travels from revolutionary Lyon to even more revolutionary Paris seeking excitement and professional opportunity. By the spring of 1871 he is deeply committed to the insurrection for workers' power, to a new lover – Rose Durand, 16-year-old coworker and budding feminist from Belleville—and to his new comrades. Together they experience festive celebrations, institutional innovations, military disasters and the final “week of blood.” Étienne and Rose's coming of age in the midst of a revolution is also the story of the growth of a powerful working-class movement. The tradesmen and women involved in creating and defending the Paris Commune of 1871 were not just bookbinders, but also bronze workers, tin smiths, shoemakers, typographers, printers, laundresses, clothing and textile workers, carpenters and many others. “Rabble” is the closest English equivalent to “canaille”, the way the privileged classes described the rough and ready workers who had seized the city and were remaking it as a bastion of liberty, equality and fraternity. Those tradesmen and women managed to create the first self-governing, proto-communist society in the modern world, in what was the most advanced capitalist city of its age. They

then had to defend it against massive bombardment and attacks, which would finally annihilate the Commune but not its ideals. These would be reborn in revolutions from 1917, and to our present day.

In celebration of a century of making classic motorcycles, the official one-hundredth anniversary volume recounts the history of the company, and presents images of its famous products.

Shortlisted for the 2018 McIlvanney Prize for Scottish Crime Book of the Year. *Follow the Dead* is the thrilling twelfth book in Lin Anderson's forensic crime series featuring Rhona MacLeod. On holiday in the Scottish Highlands, forensic scientist Dr Rhona MacLeod joins a mountain rescue team on Cairngorm summit, where a mysterious plane has crash-landed on the frozen Loch A'an. Added to that, a nearby climbing expedition has left three young people dead, with a fourth still missing. Meanwhile in Glasgow, DS McNab's raid on the Delta Club produces far more than just a massive haul of cocaine. Questioning one of the underage girls found partying with the city's elite reveals she was smuggled into Scotland via Norway, and it seems the crashed plane in the Cairngorms may be linked to the club. But before McNab can discover more, the girl is abducted. Joined by Norwegian detective Alvis Olsen, who harbours disturbing theories

about how the two cases are connected with his homeland, Rhona searches for the missing link. What she uncovers is a dark underworld populated by ruthless people willing to do anything to ensure the investigation dies in the frozen wasteland of the Cairngorms . . . Follow Rhona MacLeod in more forensic thrillers with *Sins of the Dead* and *Time for the Dead*.

*Bike Lust* roars straight into the world of women bikers and offers us a ride. In this adventure story that is also an insider's study of an American subculture, Barbara Joans enters as a passenger on the back of a bike, but soon learns to ride her own. As an anthropologist she untangles the rules, rituals, and rites of passage of the biker culture. As a new member of that culture, she struggles to overcome fear, physical weakness, and a tendency to shoot her mouth off—a tendency that very nearly gets her killed. *Bike Lust* travels a landscape of contradictions. Outlaws still chase freedom on the highway, but so do thousands of riders of all classes, races, and colors. Joans introduces us to the women who ride the rear—the biker chick, the calendar slut straddling the hot engine, the back-seat Betty at the latest rally, or the underage groupie at the local run. But she also gives us the first close look at women who ride in their own right, on their own bikes, as well as a new understanding of

changing world of male bikers. These are ordinary women's lives made extraordinary, adding a dimension of courage to the sport not experienced by males, risking life and limb for a glimpse of the very edge of existence. This community of riders exists as a primal tribute to humanity's lust for freedom.

Take a full-throttle tour through more than a century of Harley-Davidson history with this definitive e-guide. The Ultimate Harley-Davidson tells the story of the world's greatest motorcycle make--from its origins in a backyard shed to the international company it is today, more than 100 years later. From the early bikes and their key innovations to the v-rods and sports bikes of recent years, it is the complete e-guide for lovers of this American classic. Gloriously illustrated gallery spreads showcase more than 70 of the best-loved Harleys ever created, drawing out their defining features. Spectacular close-ups of key engines explain how the classic Harleys ran, while an updated catalog of every production model provides technical data and key specs for each bike. Whether you're an easy rider or born to be wild--or just mad about motorcycles--there is only one Harley-Davidson, and this is the ebook for you.

Dueling Identities examines the contradictions facing the Christian biker in regard to conflicting culture norms and values, while exploring how the Christian biker identity is developed and maintained.

For nearly four decades, J. D. Power and Associates has been measuring consumer satisfaction and helping businesses improve profits by paying attention to what customers really want. Their annual awards are widely publicized and valued worldwide for what they say about a company's commitment to its customers. Now, at last, the company has created the definitive book on how to boost profits by increasing customer satisfaction. Although most businesses pay lip service to putting customers first, few actually listen to the voice of the customer and use it as a tangible asset. In this book, J. D. Power and Associates provides an insider's perspective on some of the most successful companies on the planet. Corporate giants such as Toyota and Staples and local legends like Mike Diamond Plumbing all use customer satisfaction as their key to market dominance. Satisfaction opens the vault on years of J. D. Power data, quantifying the elusive links between satisfaction and customer loyalty, market share, and profits. The book provides extensive coverage of the varying touchpoints of consumer satisfaction—covering

every type of business from service providers to product manufacturers—and shows companies in detail how to make a commitment to consumers at the highest levels and translate this commitment into strategies and practices. For any business that wants to reap the rewards that come when they truly put the customer first, this is the ultimate guide.

Whether we realize it or not, we are all brands. We all have qualities that shape and influence how the people in our lives see us—and how we see ourselves. Nationally respected brand experts Jerry Wilson and Ira Blumenthal have helped some of the most exceptional companies and individuals in the world perfect their images. Now, in *Managing Brand You*, they reveal their proven seven-step process for personal brand building. Using illuminating examples from successful corporations like Coca-Cola and Starbucks as well as high-profile celebrities like Bono and Oprah, *Managing Brand You* gives readers a step-by-step guide for conducting a self analysis, creating a unique identity, defining their objectives, discovering their passions, creating a plan, putting that plan into action, and monitoring their progress. Wise and insightful, this book will help readers identify
