## **Architecture** Uc Berkeley

Interior architecture is a practice that incorporates the art of design and the science of architecture, and it focuses on the technical aspects of planning and building a room. This field

# Online Library Interior Design And Interior

Architecture Uc Berkeley  
involves making the room  
safe and functional as well  
as designing aesthetically  
appealing lighting, color  
and texture for a space.

**Interior Architecture vs.  
Interior Design: What's the**

*Page 12/46*

# Online Library Interior Design And Interior

## Architecture Uc Berkeley

The major difference between interior architecture and interior design is that all architects must have a license to call themselves architects, and to practice architecture. Interior

# Online Library Interior Design And Interior

Architecture is more about  
aesthetics. Interior design  
is a profession that focuses  
on architecture and space  
planning, creating cohesive  
and aesthetically pleasing  
designs for home interior  
and businesses within a
