Early Medieval Europe: Vol 25, No 1 - Wiley Online Library
In early Medieval Europe, a prime subject of frightening tales-come-true were the famously marauding and pillaging Vikings, spilling out of their dragon-headed longships in a state of bloodlust, thirsting for gold. With their menacing presence eventually stretching from eastern Europe and the Mediterranean all the way to North America, no land seemed safe   and it was early on in their globetrotting exercise that the Vikings zoned in on the appealing green shores of Ireland.
