~~Knife edge—Idioms by The Free Dictionary~~

As the name suggests, a knife edge shank features a sharp edge that goes around the outer edge of the shank of a ring. It effectively divides the ring band into two parts, which meet at the center or the knifepoint. The knife edge shank can be partial or full, either occurring just at the front of the ring or around the entire circumference.

Continuing the story of *Black & White*, Sephy, a Cross, finds herself in a struggle with Jude, the father of her baby and a Naught, as racial tensions arise--forcing her to choose sides between the group to which she was born a member and the family she has made.

Twelve-year-old twin adventurers Cleopatra and Alexandra Dodge are reunited with their father and realize that two family heirlooms reveal the location of a treasure that is their birthright. When they set sail with Captain Tarboro on the *Almira*, they know they're heading into danger—the ocean is filled with new and old enemies, including their nemesis, the infamous pirate Felix Worley. But like a coral reef that lurks below the surface of the waves, trouble is brewing between the siblings. Alex is determined to become a sailor and is happy with his role aboard the *Almira*, but Cleo—the only girl on the ship—is tired of washing dishes in the galley. In an effort to find her own purpose, she begins studying sword fighting with Tarboro, but neither Alex nor her father approves. Can the twins remain close as they pursue different goals and dreams, or will their growing differences tear the family apart before the treasure can be found? In this follow-up to the *New York Times* bestselling *COMPASS SOUTH*, Hope Larson and Rebecca Mock once again create an outstanding seafaring adventure with *KNIFE'S EDGE*. A Margaret Ferguson Book

In this harrowing near-future thriller, a teen girl reeling from a recent tragedy tries to do the right thing knowing one wrong move could unravel her society's fragile order. Persephone "Sephy" Hadley is six months pregnant with a biracial baby, a parentage that could be a death sentence in her brutal society. And Sephy has no one to help her after the baby's father was hanged for terrorism months ago. As her due date approaches, Sephy feels more and more haunted by her lost love. But she's not the only one who misses Callum. His brother, Jude, hasn't forgotten—or forgiven—anything about what happened. And he blames Sephy for Callum's death. Jude won't rest until he's avenged his brother by murdering the girl who got him killed. Jude's actions bring him dangerously close to meeting the same fate as Callum. With the man who wants her dead poised on a knife's edge, Sephy must decide if she's willing to save him from himself.

Teen Sherlock battles a monstrous adversary on a mission to Ireland with his brilliant brother, Mycroft. Young Sherlock is thrown into a tangled web involving a spiritualist whose powers have attracted the attention of governments around the world. At the castle where the medium is demonstrating his "gift," Sherlock finds a household in turmoil. Servants and some of the guests are frightened but who--or what?--has terrified them so much that nobody will speak out? Young Sherlock must bring all his powers of deduction to bear in unraveling his greatest mystery yet. Sherlock Holmes: Think you know him? Think again.

The battle of Stalingrad was the turning point of World War II. The German capture of the city, their encirclement by Soviet forces shortly afterwards, and the hard-fought but futile attempts to relieve them, saw bitter attritional fighting and extremes of human misery inflicted on both sides. The surrender of General Friedrich von Paulus's army left Germany's eastern armies severely weakened, but the Red Army had suffered enormous losses as it overreached itself in trying to exploit its great victory. The war was not over. Germany would continue the fight, and the battles that took place in the winter of 1942/43 would show the tactical and operational skill of Erich von Manstein and the Wehrmacht as they attempted to avert total disaster. In this title, now available in paperback, a renowned expert on warfare on the Eastern Front reveals the often-overlooked German counteroffensive post-Stalingrad, and how it prevented the whole Axis front line from collapsing. Drawing on first-hand accounts, *On a Knife's Edge* is a story of brilliant generalship, lost opportunities and survival in the harshest theatre of war.

This book is open access under a CC BY 4.0 license. This book delves into the widely held belief that the 21st century will be the "Asian Century" by examining the Asia's rapid economic development in the post-war era and the challenges it faces in forging ahead of world leaders in the West. The impact of the current turbulent global political climate on Asia is critically analyzed, employing a holistic and multidisciplinary approach, combining economic, social, political and geopolitical perspectives. Written in an accessible style, the book offers students, business, government, and civil society players powerful insights on Asia.

January 1970, and the final chapter in the Blackwood history appears to have closed with the murder in Cyprus of Lieutenant-Colonel Mike Blackwood, and the subsequent sale of the ancestral home. Disillusioned and grieving for his distinguished father, Lieutenant Ross Blackwood believes there is no future for him in the Corps. The Royal Marines have been reduced in strength, and their role in a modern world, after so splendid a tradition, diminished to policing and paperwork. But Ross remains a Blackwood and a Royal Marine, and the loyalty and dedication of a Blackwood to the Corps sustain him from vicious guerilla warfare in Malaysia through the moral and political minefields of Northern Ireland, where one man's terrorist is another's patriot, to the South Atlantic, and a conflict as bloody as it is unpredictable. And he learns, as every Blackwood has before him, that jungle or moor, insurrection or invasion, mere courage is not enough. Survival and victory balance on the knife edge of destiny.

Young Sherlock Holmes is in Ireland to solve his sixth intriguing mysterySomething sinister is afoot in the house in the west of Ireland in which Sherlock is staying. There are frightened whisperings among the servants and the house's owners are clearly scared. But who - or what? - has terrified them so much that nobody will speak out? Young Sherlock must bring all his powers of deduction to unravelling his greatest mystery yet. Another fast-paced, brilliantly plotted adventure as teenage Sherlock investigates a new crime and comes up against a fresh crop of sinister, clever criminals.
