Latin American Politics: A Theoretical Approach eBook

The ECPR Standing Group on Latin American Politics forms a network that facilitates building stronger ties within Europe and across the Atlantic in the field of Latin American Studies. Latin American scholarly literature has produced major theoretical and methodological innovations in numerous sub-literatures of comparative politics (such as presidentialism, legislatures, government coalitions, indigenous politics, elections, sub-national politics) and the group provides a platform for ...

Latin American Politics | ECPR Standing Group

Abstract This article assesses the contributions of studies in the rational choice (RC) tradition to scholarly understanding of Latin American politics. It groups some representative works according to their use of RC assumptions, and also reviews some of the major works in the institutionalist tradition.
