Chestnut has a beautiful grain an... A Pedestal The pedestal shown in the accompanying illustration is another piece of furniture that can be made in the mission style.

Mission Furniture: How To Make It | by Henry Haven Windsor

"Mission furniture is a style of furniture that originated in the late 19th century. It traces its origins to a chair made by A. J. Forbes around 1894 for San Francisco's Swedenborgian Church. The term mission furniture was first popularized by Joseph P. McHugh of New York, a furniture manufacturer and retailer who copied these chairs and offered a line of stylistically related furnishings by ...

Building a Mission Settle (or Three) : 14 Steps (with ...

Second, one gets a collection of designs for generic mission or arts & crafts furniture. To me, the vast majority of the designs are unappealing. At best, they seem just a little off target, as though a high-school woodshop class student were given an assignment to make an original mission furniture piece.

The materials can be secured from the planing mill dressed and sandpapered ready to cut the tenons and mortises. The material list can be made up from the dimensions given in the detail drawing.

Home-Made Mission Chair - ChestofBooks.com

First make and put together the sides of the chair. While the glue is setting on these parts make and assemble the back. The front and back rails may next be made and placed and the cleats and bottom slats fastened. With the adjustment of the back the chair is ready for the finish. The posts are to be tenoned on the upper ends. These tenons are to project 3/16 in. above the arm and should be slightly beveled.
