# Where To Download

Flight of Apollo  
11 by Brian  
Floca is a very  
informational  
picture book.  
The details of  
the book were  
great along with  
the pictures.  
This book would  
be great to use  
for a lesson  
with space or  
astronomy

# Where To Download

because the information is so detailed and factual in the book. The pictures in the book give as much detail the text in the book.
