Why Myers? David

Myers has become

Page 24/53

File Type PDF

Myers Ap

Psychology 8th Edition
the world's best-selling introductory psychology author by serving the needs of instructors and students so well.

Each Myers textbook offers an impeccable combination of up-to-date research, well-crafted pedagogy, and effective media and supplements.

Most of all, each

File Type PDF

Myers Ap

Myers text

Psychology 8th
Edition
demonstrates why
this author's style
works so well for
students, with his
signature
compassionate,
companionable voice,
and superb judgment
about how to
communicate the
science of psychology
and its human impact.

Why Modules? This

Page 26/53

Psychology 8th

modules-based
version of Myers'
best-selling, full-
length text,

Psychology (breaking
down that book's 16
chapters into 59 short
modules) is yet
another example of
the author's ability to
understand what
works in the
classroom. It comes
from Myers'

File Type PDF

Myers Ap

Psychology 8th

students who strongly
prefer textbooks

divided into briefer
segments instead of
lengthier chapters,
and with instructors
who appreciate the
flexibility offered by
the modular format.

Modular organization
presents material in
smaller segments.

Students can easily

File Type PDF

Myers Ap

Psychology 8th Edition
read any module in a single sitting. Self-standing modules.

Instructors can assign modules in their own preferred order. The modules make no assumptions about what students have previously read.

Illustrations and key terms are repeated as needed. This modular organization of short,

File Type PDF

Myers Ap

stand-alone text units

enhances teacher

flexibility. Instead of

assigning the entire

Sensation and

Perception chapter,

instructors can assign

the module on vision,

the module on

hearing, and/or the

module on the other

senses in whatever

order they choose.
