OET Sample Referral Letter (Nurse) Writing Sub-test. Below are OET sample nursing case notes of a sample referral letter to a doctor. It's an excellent scenario where writing sub-test case notes selection is tricky and identification of diagnosis/chief complaint requires careful reading. Also, notice how, in the OET sample letter, the nurse has covered only the relevant OET case notes in her answers while summarising as much as possible.

OET OET (Occupational English Test) OET (Occupational English Test) is designed to meet the specific English language needs of the healthcare sector. It assesses the language proficiency of healthcare professionals who wish to practise in an English-speaking environment.

From the makers of OET.Test and build your English skills with this official OET Nursing resource. This Practice Test Book includes:• Three OET practice tests with answer keys• An overview of OET and how the test is scored• The Test-Taker's Information Guide• Key assessment criteria• Useful language information.\*\*\*Want to buy both print and kindle versions?\*\*\*Buy the print book from Amazon.com and you will be given the option to purchase the kindle book at a heavily discounted price.

Grammar Booster for OET Nursing has been designed to support nursing students and healthcare professionals seeking to boost their English language proficiency in the workplace through consolidation, extension and application of their existing grammar knowledge to a range of healthcare settings.Grammar Booster for OET Nursing provides the opportunity to develop more effective communication skills for use in a range of healthcare settings through increased awareness of grammar forms presented and practised in context.Grammar Booster for OET Nursing is ideal for healthcare students and professionals who:•have a current minimum English language proficiency of Upper intermediate level (CEFR B2)•plan to have their English language proficiency assessed through the Occupational English Test (OET). •wish to build their confidence to become more effective communicators in the workplace.Grammar Booster for OET Nursing is a user-friendly grammar resource which can be used for independent study or adapted for classroom use to support specialised English language nursing courses, including English for Academic Purposes (EAP) for Nursing and OET preparation courses. Grammar Booster for OET Nursing offers ten units. Units 1-9 are stand-alone units, each of which addresses a key grammar area that may cause difficulty for learners. Units 1-9 include:•an introductory setting to showcase the grammar area for development•a Grammar Boost section to provide examples and explanations•practice tasks to develop proficiency in applying the grammar structures to healthcare contexts. •answer keys for the practice tasks in each unit at the back of the book.Unit 10 is a Review Unit designed to recycle all key grammar areas explored and practised in Units 1-9 and has an answer key for the review tasks at the back of the book.

This book provides students with a comprehensive overview of Australian and international public health issues and contexts. It explores recent changes in the local public health field, as well as complex global public health issues, and engages with the political and cultural impacts these have on public health systems. The book aims to deepen students' understanding of the determinants of health, historical and theoretical perspectives of public health, and current health research. Through consideration of new perspectives, it introduces the latest public health discourses and explores issues of health promotion and health inequalities that inform much of the understanding of public health today. Drawing on more than 25 years' experience, Praneet Liamputong leads a stellar author team to present this essential resource. Each chapter includes learning objectives, key words, tutorial exercises and further reading, as well as illustrative and informative case studies to aid students' understanding of key concepts.

If you are looking for the best guide to the Occupational English Test, your search is over. This is exactly what you need to score A/B grade in the OET exam! This book gives you the essentials you need to score A/B grade on the OET Speaking and Writing modules including the most effective strategies, comprehensive practice and precise description of how the modules are scored. The book also includes: • 12 full-length Speaking role plays and 10 Writing Tasks with answer expectations. • Review of important concepts, including vocabulary. • Detailed overview of the Speaking and Writing assessment criterion and advice to improve your grade. • Effective and reliable strategies to optimize your study time

This book is your must-have if you are preparing for the OET writing test. Written by an experienced OET trainer after intensive research, this book delves deeply into each assessment criterion and stages of writing the letter, which, when used together, will have a substantial learning impact and develop the skills needed to pass the test with a score of 350 or above. It offers practical and efficient techniques for maximizing your score, along with extensive practice on 19 practice tests and essential grammar concepts. Each practice test is followed by a detailed explanation that allows you to develop the strategic thinking necessary for approaching the writing task. This book includes: • Detailed guidance on the revised assessment criteria with advice to improve your score in each criterion • A review of important grammar concepts with a range of structured tasks within practice tests • An overview of some common student mistakes • 19 practice tests with answer expectations and detailed explanations for structuring your letter effectively • Effective strategies to optimize your study time

This book contains 5 complete OET Updated Reading Sample Tests with Answers for all professions.
