The book is about a village boy, who got rearing under the patronage of God-fearing mother and disciplinarian father, who was running a grocery shop in the nearby town. Struggling with the least facilities in the village and later in the nearby town, the boy could become lecturer in a degree college. Though he lost his job, the young boy was determined not to give up and succeeded in getting job in NCERT- The National level body. The book has many interesting innovations in education that are discussed including a chapter on the infamous Bhopal Gas tragedy of 1984. Later, the young teacher got an invitation from Manchester University for joining the course on EPPAM, thus initiating exposure to culture and functioning of a developed country. Thus adding anecdotes from U.K. Paris, New York,

Sydney, Gold Coast, Auckland, and San Francisco, the autobiography also explores the Covid- 19 pandemic, and proposes meditation as conceived during Kriya Yoga.

The District Primary Education Programme is one of the home grown innovative educational programmes with three main goals universal access, retention and achievement. It is an ambitious national programme firmly rooted in the national policy on Education aiming to achieve Education For All by 2000 A.D. It is a sustainable, cost-effective and replicable one

on a national scale. It is also an exercise in decentralised planning which puts local communities in charge of education. The districts chosen under it represent those where female literacy is below the national average of 52.21%. With great hope, conviction and preparation it was launched on November 8, 1994. DPEP will be another success story in the field of education. Let the goals of DPEP be realised and in process, every one of the society be a part of this success story.

This report presents the conceptual foundations of the OECD Programme for International Student Assessment (PISA), now in its seventh cycle of comprehensive and rigorous international surveys of student knowledge, skills and well-being. Like previous cycles, the 2018 assessment covered reading, mathematics and science, with the major focus this cycle on reading literacy, plus an evaluation of students' global competence – their ability to understand and appreciate the perspectives and world views of others. Financial literacy was also offered as an optional assessment.
