Of course, once strategies are recognized as valuable, the processes by which they proliferate can be managed, just as plants can be selectively propagated. Then it may be time to build that hothouse—make that emergent strategy deliberate going forward. 5. There is a time to sow strategies and a time to reap them.

Henry Mintzberg - Wikipedia  
Emergent strategy is the view that strategy emerges over time as intentions collide with, and accommodate, a changing reality. According to Henry Mintzberg, emergent strategy is a set of actions, or behavior, consistent over time, “ a realized pattern [that] was not expressly intended ” in the original planning of strategy.
