The Gate to Women's Country examines an (honestly not-so-unlikely) hypothetical future in which a world ruled by men ended in an apocalypse that wrecked the planet and almost killed everyone. In the aftermath of disaster, women and women-supporting men took over, with a plan of breeding the violence out of humanity.

The gate to women's country (Book, 1989) [WorldCat.org]

First, let's use the article's correct title "After the (Homo)Sexual: A Queer Analysis of Anti-Sexuality in Sheri S. Tepper's *The Gate to Women's Country*", second, we can move on to the author's own statement that her article is a sub-cultural analysis, and that already eliminates the reference as being appropriate for analysis included in an ...

Talk:The Gate to Women's Country - Wikipedia

The Gate to Women's Country (Book) : Tepper, Sheri S. : In a futuristic society where the sexes are separated, men are warriors, and women cultivate the arts, Stavia disobeys the group's prohibitions by loving a man forbidden to her, setting the stage for a momentous decision.

The Gate to Women's Country (Book) | The Seattle Public ...

“ *The Gate to Women's Country* ” , remains the best written and most provocative of the lot when it comes to Feminist SF. It's one of the few books where I turned the last page and flipped back to the first and read it straight through again when I realized how deceptive the text, itself, was.

“ Lively, thought-provoking . . . the plot is ingenious, packing a wallop of a surprise . . . Tepper knows how to write a well-made, on-moving story with strong characters. . . . She takes the mental risks that are the lifeblood of science fiction and all imaginative narrative. ” —Ursula K. LeGuin, *Los Angeles Times*  
Since the flames died three hundred years ago, human civilization has evolved into a dual society: Women ' s Country, where walled towns enclose what ' s left of past civilization, nurtured by women and a few nonviolent men; and the adjacent garrisons where warrior men live—the lost brothers, sons, and lovers of those in Women ' s Country. Two societies. Two competing dreams. Two ways of life, kept apart by walls stronger than stone. And yet there is a gate between them. . . . “ Tepper not only keeps us reading . . . she provokes a new look at the old issues. ” —*The Washington Post*  
“ Tepper ' s cast of both ordinary and extraordinary people play out a powerful drama whose significance goes beyond sex to deal with the toughest problem of all, the challenge of surmounting humanity ' s most dangerous flaws so we can survive—despite ourselves. ” —*Locus*

*The Gate to Women's Country* tells of a society that exists three hundred years after our own has nearly destroyed itself. Now, male warriors are separated from women at an early age and live in garrisons plotting futilely for the battles which must never be fought again. Inside the women's towns, education, arts and science flourish. But for some like Stavia, there is more to see. Her sojourn with the man she is forbidden to love brings into sharp focus the contradictions that define their lives. And when tragedy strikes, Stavia is faced with a decision she never thought she would make - a decision that could forever change their world ... *The Gate to Women's Country* is a novel that rivals Margaret Atwood's *The Handmaid's Tale* in scope, impact, and the sheer power of its storytelling.

“ One of the most satisfying science fiction novels I have read in years. ” —*The New York Times Book Review*  
Here is a novel as original as the breathtaking, unspoiled world for which it is named, a place where all appears to be in idyllic balance. Generations ago, humans fled to the cosmic anomaly known as Grass. Over time, they evolved a new and intricate society. But before humanity arrived, another species had already claimed Grass for its own. It, too, had developed a culture. . . . Now, a deadly plague

## Acces PDF The Gate To Womens Country By Tepper Sheri S Unknown Edition Mmarket1993

is spreading across the stars. No world save Grass has been left untouched. Marjorie Westriding Yrarier has been sent from Earth to discover the secret of the planet ' s immunity. Amid the alien social structure and strange life-forms of Grass, Lady Westriding unravels the planet ' s mysteries to find a truth so shattering it could mean the end of life itself.

The myriad alien civilizations populating far, distant worlds have many good reasons to detest the blight called "humankind" . . . The only human child living in a work colony on the Martian satellite Phobos, little Margaret Bain has invented six imaginary companions to keep boredom and loneliness at bay. Each an extension of her personality, they are lost to her when she is forced to return to Earth. But they are not gone. The time will come when Margaret, fully grown and wed, must leave this dying world as well—this Earth so denuded by thoughtlessness and chemistry that its only viable export is slaves. For now Margarets are scattered throughout the galaxy. And their creator must bring her selves home . . . or watch the human race perish.

Atop a twisting, canyon-climbing road, a witch lurks in a fortress built strong to keep out dragons and ogres. In another part of the countryside, a young orphan is maturing into a beautiful woman in the enchanted village that is her home. Somewhere nearby, a young man is seeking adventure after running away from his family's small farm. Suddenly a strange and terrible prophecy sets off a chain of events that will bring these three together in the heroic, romantic, and thrilling tale of an age-old battle.

In the year 2000, America falls victim to the fundamentalism that is consuming the world, but Carolyn Crespin and five female friends strongly defy the power-hungary Alliance candidate, who may land in the presidency, unless Carolyn can stop him. Reprint. K.

A moving, compulsive science fiction novel from one of the best writers in the field When the human settlers arrived on Hobbs Land, the native intelligent species, the Owlbrit, were already almost extinct. Before the last one died, a few years later, the humans had learned a little of their language, their ideas and their religion. It seemed the natural thing for the settlers to maintain the last Owlbrit temple, with the strange statue that was its God. When that God died - disintegrating overnight - it seemed equally natural to start preparing its replacement. Maire Manone came to Hobbs Land to escape the harsh patriarchal religion of Voorstod, but Voorstod hasn't forgotten her - or forgiven her. But the men who arrive on Hobbs Land to find and return Maire to her homeland haven't taken Hobbs Land's God into account ...

“ Tepper takes the traditional icons of fantasy, restores their resonance, and makes them her own. ” —Minneapolis Star Tribune A century ago, a mysterious force wiped out human life on all surrounding worlds, leaving the planet Dinadh untouched. Now the unknown force is back—and this time humanity ' s only hope lies with a woman who ' d give anything not to get involved. Lutha Tallstaff ' s mission is to locate the famed adventurer Leelson Famber, who has disappeared, taking with him what may be the only clue to the nature of the deadly threat. But Lutha cannot know that finding Famber will be the easy part of her journey. Through terrain alive with savage winged wraiths and fountains of fire, she will fight her way to the holiest place on the planet. And only then will she discover the shocking truth about the coldly inhuman force that threatens the future of mankind.

NEW YORK TIMES BESTSELLER “ In her book, Melinda tells the stories of the inspiring people she ' s met through her work all over the world, digs into the data, and powerfully illustrates issues that need our attention—from child marriage to gender inequity in the workplace. ” — President Barack Obama “ The Moment of Lift is an urgent call to courage. It changed how I think about myself, my family, my work, and what ' s possible in the world. Melinda weaves together vulnerable, brave storytelling and compelling data to make this one of those rare books that you carry in your heart and

mind long after the last page. ” — Bren é Brown, Ph.D., author of the New York Times #1 bestseller *Dare to Lead* “ Melinda Gates has spent many years working with women around the world. This book is an urgent manifesto for an equal society where women are valued and recognized in all spheres of life. Most of all, it is a call for unity, inclusion and connection. We need this message more than ever. ” — Malala Yousafzai "Melinda Gates's book is a lesson in listening. A powerful, poignant, and ultimately humble call to arms." — Tara Westover, author of the New York Times #1 bestseller *Educated* A debut from Melinda Gates, a timely and necessary call to action for women's empowerment. “ How can we summon a moment of lift for human beings – and especially for women? Because when you lift up women, you lift up humanity. ” For the last twenty years, Melinda Gates has been on a mission to find solutions for people with the most urgent needs, wherever they live. Throughout this journey, one thing has become increasingly clear to her: If you want to lift a society up, you need to stop keeping women down. In this moving and compelling book, Melinda shares lessons she ’ s learned from the inspiring people she ’ s met during her work and travels around the world. As she writes in the introduction, “ That is why I had to write this book—to share the stories of people who have given focus and urgency to my life. I want all of us to see ways we can lift women up where we live. ” Melinda ’ s unforgettable narrative is backed by startling data as she presents the issues that most need our attention—from child marriage to lack of access to contraceptives to gender inequity in the workplace. And, for the first time, she writes about her personal life and the road to equality in her own marriage. Throughout, she shows how there has never been more opportunity to change the world—and ourselves. Writing with emotion, candor, and grace, she introduces us to remarkable women and shows the power of connecting with one another. When we lift others up, they lift us up, too.
