Bullet It! is an original take on bullet journaling, an artistic life organisation system that's going viral online and poised to become the "adult colouring books" of the journal world. Rather than face an intimidating blank page of a traditional bullet journal, inside you'll find artistically laid-out pages and guided fill-in to record your goals and dreams both large and small.Whether you quickly complete your tasks or simply move them to a new journal, what remains is a beautiful keepsake that reminds you just how much you are accomplishing, on both a macro and micro level.

The system combines elements of a wishlist, a to-do list, and a diary. It makes it easy to get thoughts out of your head and onto paper, to see them clearly and decide what to do about them

Say hello to the bullet system: a revolutionary organization method that will increase both your efficiency and your creativity. At its simplest, the bullet method will provide you with a fool proof to-do list that will ensure you never miss a task or appointment again. Take it just a step further and its principals will let you organize your present, take note of the past and plan your future. The 365 Bullet Guide is an easy-to-follow book that will teach you the bullet system. There's an exercise for every day of the year and each takes 365 seconds or less to complete. With simple, clear instructions, this book will show you how to incorporate the bullet method into your life as gradually or quickly as you like. The joy of bulleting is that it is both holistic and completely customizable to your own aesthetics and habits, so you can create your own journal from scratch and put into practice as many of the hundreds of ideas and techniques as your like such as habit trackers, sleep logs, handwriting exercises, and much more! Whether you're a secret scribbler or a to-the-point minimalist, The 365 Bullet Guide is your indispensable guide to an elegantly organized life. With contemporary illustrations by Marcia Mihotich, this book will help you to build a better life. Grab a notebook and pen, and get bulleting!

Organize your life, record what matters, and get stuff done! What the heck is a dot journal? It's a planner, to-do list, and diary for every aspect of your life: work, home, relationships, hobbies, everything. Early adopter Rachel Wilkerson Miller explains how to make a dot journal work for you—whether you find the picture-perfect examples on Pinterest inspiring or, well, intimidating. You decide how simple or elaborate your journal will be, and what goes in there: Lists of your to-dos, to-don'ts, and more Symbols that will make those lists efficient and effective Spreads to plan your day, week, month, or year Trackers for your habits and goals (think health, money, travel) Accouterments such as washi tape, book darts, and more!

When her world is blown apart, Professor Caroline Cashion returns home to discover the truth about her past and why her biological parents were murdered—and to find the killer before he finds her.

“An incredible woman on a mission to help people find peace,happiness, and fulfillment.” Gabrielle Bernstein, author of Miracles Now Have you ever felt like there's something holding you back?
