In this masterful account, Ira Berlin, one of the nation's most distinguished historians, offers a revolutionary-and sure to be controversial-new view of African American history. In The Making of African America, Berlin challenges the traditional presentation of a linear, progressive history from slavery to freedom. Instead, he puts forth the idea that four great migrations, between the seventeenth and twenty-first centuries, lie at the heart of black American culture and its development.

In this masterful account, Ira Berlin, one of the nation's most distinguished historians, offers a revolutionary-and sure to be controversial-new view of African American history. In *The Making of African America*, Berlin challenges the traditional presentation of a linear, progressive history from slavery to freedom. Instead, he puts forth the idea that four great migrations, between the seventeenth and twenty-first centuries, lie at the heart of black American culture and its development.

~~The Making of African America by Ira Berlin: 9780143118794 ...~~

Historian Berlin explores the four great migrations that have produced the distinct culture of African Americans: the transatlantic slave trade; the migration of African slaves from the Atlantic coast inland to southern plantations; the great migration from the rural South to the urban North, particularly during World War II; and the latest movement in the diaspora, the immigration to the U.S. of people of African descent from Africa, the Caribbean, and Europe.

In his new book, "*The Making of African America: the Four Great Migrations*", Ira Berlin modifies and deepens the linear view. Berlin describes African American history as showing a "contrapuntal interplay of movement and place." He also emphasizes the active role of African Americans in creating their

~~The Making of African America: The Four Great Migrations ...~~

Four great migrations defined the history of black people in America: the violent removal of Africans to the east coast of North America known as the Middle Passage; the relocation of one million slaves to the interior of the antebellum South; the movement of more than six million blacks to the industrial cities of the north and west a century later; and since the late 1960s, the arrival of black immigrants from Africa, the Caribbean, South America, and Europe.

~~Summary and reviews of The Making of African America by ...~~

Despite the culture clash, however, black immigrants have also made crucial contributions to African-American culture. For example, Berlin notes, many early hip-hop artists were of Caribbean descent. An insightful meditation on the physical and cultural journeys of African-Americans in the United States.

African Americans in the Making of Early New England will take place in the Old Deerfield Village Historic Landmark District and will focus on the 23 African American Historic sites in the District, on Royall House and Slave Quarters in Medford, MA and on Strawberry Banke Museum in Portsmouth, NH which are also National Historic Landmarks. This workshop will bring together a wide range of primary resources— landscape, architecture, artifacts, documents, oral histories—along with secondary ...

~~African Americans in the Making of Early New England ...~~

African Americans are largely the descendants of enslaved people who were brought from their African homelands by force to work in the New World. Their rights were severely limited, and they were long denied a rightful share in the economic, social, and political progress of the United States.

~~African Americans | History, Facts, & Culture | Britannica~~

Immigration and the Making of African America will explore the largely untold history of African diasporic immigrants to the United States and their relations with native-born African Americans over the last 150 years. Black immigrants developed distinctive strategies for assimilating, even while maintaining ties with their countries of origin.
