Value of TNR: The theme of The Necessary Revolution is that we must shift beyond being reactive in our solutions approach, merely seizing short term solutions, and move to deep thinking to really make a difference. I strongly agree. The book includes many stories of what organizations and individuals are doing to try to be more proactive.

people at every level are transforming

their businesses and communities.

The Necessary Revolution : How
Individuals and ...

The Necessary Revolution draws on three primary case histories to illustrate how the sustainability challenge is already being addressed by those in the vanguard of global change. For most, “ the endless litany of environmental and societal crises ” can seem “ overwhelming, ” both “ cognitively and emotionally. ”
