Prepare for management success with this engaging survey of modern management practice. UNDERSTANDING MANAGEMENT, 10E, seamlessly integrates classic management principles with today's latest management ideas to create a current market-leading text that you will find captivating. Acclaimed authors Richard Daft and Dorothy Marcic cover management and entrepreneurial issues within small to midsize companies, where you are most likely to begin your career, as well as within larger global enterprises. You'll gain valuable insights into real contemporary business as you examine today's best management practices. This text helps you establish and build on practical skills with engaging examples and numerous skill-building and application exercises in every chapter. Using a streamlined format, this edition takes a close look at how change demands innovation and how innovation requires forward-thinking, flexible leaders and organizations. UNDERSTANDING MANAGEMENT, 10E, provides everything you need to become a successful manager who seizes business opportunities and leads change. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

MANAGEMENT, 12E includes several innovative pedagogical features to help students understand their management capabilities and learn what it's like to manage in an organization today. Each of the 19 chapters begins with an opening questionnaire that engages the reader's interest, directly connects to the topic of the chapter, and enables students to see how they respond to situations and challenges that real-life managers typically face. A New Manager Self-Test in each chapter provides students with further insight into how they would function in the real world of management. The Remember This bullet-point summaries at the end of each major chapter section give students a snapshot of the key points and concepts covered in that section. The end-of-chapter questions have been carefully revised to encourage critical

thinking and application of chapter concepts, and Small Group Breakout exercises give students the opportunity to apply concepts while building teamwork skills. Ethical dilemmas, all-new end-of-chapter cases, and a fully updated set of On the Job video cases help students sharpen their diagnostic skills for management problem solving. The chapter sequence in MANAGEMENT is organized around the management functions of planning, organizing, leading, and controlling. These four functions effectively encompass management research and the characteristics of the manager's job. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Equip your students with the confidence and innovative skills they need to manage successfully in today's rapidly changing, turbulent business environment. The latest edition of Daft's market-leading NEW ERA OF MANAGEMENT, 10e, International Edition helps you develop managers who look beyond traditional techniques and ideas to tap into a full breadth of innovative management skills. NEW ERA OF MANAGEMENT, 10e, International Edition addresses emerging themes and the issues most important for meeting today's management demands and challenges. A blend of proven management techniques and new competencies demonstrate how to harness creativity and lead change, as students learn to put theory into practice. With the latest improvements in this edition, D.A.F.T. defines Management.D. Development of the latest managerial theories and innovative skills prepares students to adapt new technologies and inspire exceptional performances in managerial roles. A. Applications focus on contemporary ideas and relevance to students using a combination of cutting-edge exercises, memorable examples, unique photo essays, new video cases, and topics not typically found in other management texts.F. Foundations in the best management practices combine fresh ideas with proven managerial research organized around the four functions of management.T. Technology in a leading support package delivers innovative solutions, from course management tools to new video cases and a premium website that helps ensure students reach their full management potential.

Develop with the confidence and innovative skills to lead in today's rapidly changing, turbulent business environment with Daft's market-leading MANAGEMENT, 14E. This reader-friendly presentation blends coverage of the latest managerial theories and emerging trends with a strong foundation in best management practices. New personal feedback inventories let you evaluate your strengths while updated engagement exercises and the latest applications guide you in expanding your management competencies, harnessing your creativity and putting theory into practice. Recent research, organized around the four functions of management, helps you look beyond traditional techniques to consider a full breadth of progressive management solutions. In addition, numerous new examples and cases from familiar organizations bring the practice of management into clear focus. Author Richard Daft equips you with new and proven management concepts to achieve exceptional results in your managerial role. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Equip students with the critical leadership skills and solid understanding of today's theory needed to become effective business leaders in today's turbulent times with Daft's THE LEADERSHIP EXPERIENCE, 6E. Acclaimed author Richard Daft helps students explore the latest thinking in leadership theory and contemporary practices at work within organizations throughout the world. Students will examine emerging topics, including enhancement of emotional intelligence, leadership vision and courage, leadership of virtual teams, and open

innovation, and will connect those topics to recent world events such as ethical scandals and political turmoil. Packed with memorable examples and unique insights into actual leadership decisions, this full-color text includes crisp, clear visuals to reinforce the book's engaging presentation. This edition's proven applications, specifically designed for today's leadership theory and applications course, and a solid foundation grounded in established scholarly research make the topic of leadership come alive for students. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Management is a robust foundations text providing a balance of broad, theoretical content with an engaging, easy-to-understand writing style. It covers the four key management functions - planning, organising, leading and controlling - conveying to students the elements of a manager's working day. Real-life local and international examples showcase the ongoing changes in the management world. Focusing on a 'skills approach', they bring concepts to life for students, supporting motivation, confidence and mastery. Each part concludes with a contemporary continuing case study, focusing on car company Toyota as it faces managerial challenges and opportunities in the region.

Organizations must adapt to changing and often challenging environments. This third Canadian edition helps students understand and design organizations for today's complex environment. The concepts and models offered in this text are integrated with changing events in the real world, presenting the most recent thinking and providing an up-to-date view of organizations. Detailed Canadian examples and cases capture the richness of the Canadian experience, while international examples accurately represent Canada's role in the world.

MANAGEMENT: THE NEW WORKPLACE, 6e International Edition provides an engaging survey of modern management practice that seamlessly integrates classic and contemporary principles. Rather than concentrating on large global enterprises, the text focuses on dynamic small to mid-sized "local" businesses and entrepreneurial issues, giving students valuable real-world insights and practical skills they can readily apply when beginning or continuing their careers. To help students deepen their understanding and hone their skills, numerous skill-building and application exercises appear in every chapter. MANAGEMENT: THE NEW WORKPLACE, 6e International Edition also features a streamlined format and impressive ancillary package that make it affordable, flexible, well-suited to any course, and effective for students of diverse backgrounds and interests.
